

CONTENTS

EDITORIAL**Prof. B. Nandi****REVIEW**

S. K. Sarkar* and S.P. Gawande : Diseases of Jute and allied fibre crops and their management 321

FULL LENGTH

Surabhi Shrivastava, Tanaji K Narute, Pratiksha Kadam and Sujoy Saha : Cultural and morphological characterization of *Fusarium solani* causing Wilt of French bean in Maharashtra 339

Sudipta Sinha, Kripamoy Chakraborty, Ajay Krishna Saha and Panna Das : Mycorrhizal colonization in plants from selected home garden of Tripura 349

Shrawan Kumar, M.R. Dabbas, Omita Mishra and Prem Naresh : Variability of cultural, morphological, pathogenic and impact of different fungicides on *Fusarium oxysporum* f.sp. pisi 355

Kalyan Mitra, J.P. Rana and R. Das : Interaction effect of fertility gradients and different levels of NPK combinations on disease severity of Leaf blotch in Potato under field conditions of West Bengal 361

Dipankar Mandal and Jayanta Saha : Comparative efficacy of arbuscular mycorrhizal inoculum on the growth of Sorghum (*Sorghum vulgare* L.) under municipal solid waste amended soil 367

Gopal Debnath, Subrata Dutta, Ajay Krishna Saha, and Panna Das : Green synthesis, characterization and antibacterial activity of silver nanoparticles (AgNps) from grass leaf extract *Paspalum conjugatum* P.J. Berguis 371

K. Pramanik, R.K. Singh, B.K. Saren and Nilesh Madanrao Maske : Effect of *Pseudomonas striata* and *Glomus fasciculatum*, phosphorus nutrition and mode of phosphorus placement to proline content, root dry weight and grain yield of Chickpea (*Cicer arietinum* L.) under rainfed condition 377

Priyanka Bhattacharjee, Puja Sashankar, Usha Chakraborty and Bishwanath Chakraborty : Growth improvement and disease suppression in Sorghum plants following application of bioinoculants 383

Bhavna Sharma Grover and Anita Chhabra : Effect of Juglone on *Candida albicans* growth and biofilm formation 391

Kalyan Mitra and Raju Das : Efficacy of different fungicides and bio-control agents for the management of Chickpea Wilt (*Fusarium oxysporum* f.sp. ciceri) 397

Sweata Khati, Priyanka Bhattacharjee, Puja Sashankar, Usha Chakraborty and Bishwanath Chakraborty : Evaluation of plant growth promoting rhizobacteria on Rice cultivars for management of Brown spot disease 401

Soma Pal Saha : Effect of natural antimicrobials on shelf-life of raw milk 409

K. Surendirakumar, I. Chongtham and R. R. Pandey : Arbuscular mycorrhizal and dark septate endophyte fungal associations in three indigenous Rice (*Oryza sativa* L.) cultivars of Manipur, North East India 415

Trina Sandham, Ph. Sobita Devi and Bireswar Sinha : Native *Trichoderma* isolates and its impact on growth, fruit yield and disease management of Chilli 423

Wilt in Manipur

SHORT COMMUNICATION

- Sukla Bhattacharjee, Ajay Krishna Saha and Panna Das :** Diversity of fungal endophytes with antibacterial activity from five medicinal plants of Tripura 427
- Pintu Karmakar, Ramesh Ghosh, Ajay Krishna Saha and Panna Das :** Aeromycoflora of mixed forest and Rubber plantation sites of Tripura 431
- A. Dhal, S.K. Beura, N. Ranasingh, B. Khamari and M. Satpathy :** Efficacy of fungicides on inhibition of mycelial growth of *Alternaria solani*, the incitant of Early blight disease of Tomato 435
- R. Das and K. Mitra :** Evaluation of Rapeseed-Mustard genotypes against *Alternaria* blight for identification of resistant sources 439
- B. Khamari, S.K. Beura, N. Ranasingh and A. Dhal :** Symptomatological study of Stem and Root rot of Sesame 443
